

**LINE CARD...
 Representing:**

	Municipal - Magnetic Flow Meters, Pressure Transmitters, Controllers, Recorders
	Chemical Feed, Control & Monitoring Equipment Chlorine & Sulfur Dioxide Systems
	Electronic and Mechanical Scales, Precision Instrumentation for Measurement and Control
<p>For Over 35 Years of Experience</p>	Lift station Level Transmitters, Pressure Transducers, Gauges, Pump Controllers
	Micro-DCI 53MC5000 Process Control Station, 53SL6000 "Micro-Mite" Single Loop Controllers Micro-PWC Personal Work Center
	Cellular Pump Station Monitoring Solutions
<p>An Iwaki America Company</p>	Chemical Metering Pumps, pH/ORP Controllers, Disinfection Controllers
	Ruggedized, High-Reliability Process Control, Data Acquisition, and Communication Equipment
	Ultrasonic Level and Flow Transmitters
<p>Worldwide level and flow solutionsSM</p>	Thermal Mass Flowmeters, Radar Level Transmitters
<p>PART OF OPW FLUIDS TRANSFER GROUP <small>A DOWDER COMPANY</small></p>	Isolation Rings, Sight Flow Indicators
<p>The world leader in serving science</p>	Turbidity and Dissolved Oxygen (DO) Transmitters
	Pressure Transmitters, Ultrasonic Level/Flow Transmitters, Pump Station Controllers
